

Adopt-A-School Campaign

Drug Prevention and Character Building Program

It is our pleasure to present our drug prevention program to a school in your area.

Together, we can cause the change needed in our communities.

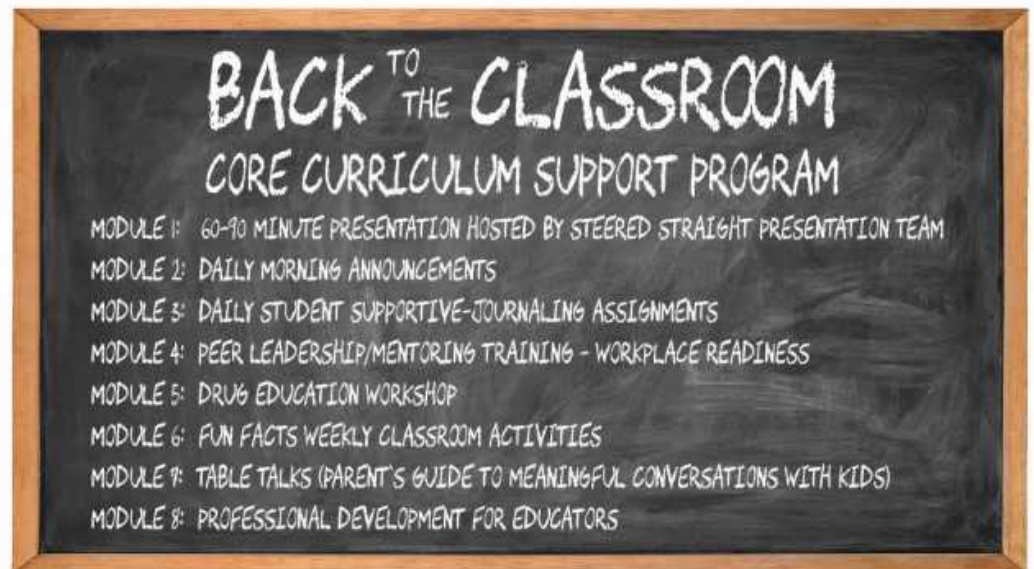

2017-2018 School Year Program Lessons:

- Character Building
- Leadership/Mentoring
- Anti-Bullying
- Anti-Drugs
- Anti-Alcohol
- Gang Resistance

Our Kids are Worth the Work!

Steered Straight delivers presentations to schools on Bullying, Drugs, Alcohol, Peer Pressure and Gang Resistance. Michael DeLeon and his team of presenters travel the country bringing about awareness on these core topics. Over the years, he has spoken to over 5 million students. This year, we would like to ask for your sponsorship as we bring our program to schools in your town. The cost of the program is \$1500 per school. All pledged amounts go towards the implementation of our drug-prevention programs in schools in your area.

Package for Middle and High School students Your contribution helps to provide the following:

All Modules are guided by a shared monthly topic and help schools satisfy state-regulated core curriculum. Steered Straight programs are custom adaptations of SAMHSA listed Evidence-Based Practices.

If you would like to be a sponsor, follow the directions on the pledge card
