

# GIVE YOUR CHILD A REASON TO SAY NO!!!

Peace of Mind for Less than \$2.00 Per Test!

## Simple:

- ◆ The Alco-Screen® is a simple, one-step, 2-minute saliva screening test that works in a clean, non-invasive manner. The Alco-Screen® requires **no instrumentation or calibration**.

## Convenient:

- ◆ The Alco-Screen® can be used at any time, any place. Each test is individually wrapped and completely disposable.

## Versatile:

- ◆ In addition to testing saliva alcohol, the Alco-Screen® can detect the presence of alcohol in other fluids. \*

Negative 

Positive 

\*When testing drinks for alcohol, please note that the color chart is not applicable. The pad **MUST TURN A DARK BROWN TO BLACK** in order for the test to be considered positive. Any color corresponding to the color chart is considered a **NEGATIVE** test. Please contact the manufacture with any questions.
