# 100%

Of all Sales from your donations go towards Drug & Suicide Prevention programs to kids and schools across our Country

# 16 Million Tons

of clothing waste annually and only about 2 million tons of said 16 million are Donated

With your donation you could help schools and kids around our country and also help reduce the 16 million tons of clothing waste annually americans produce.

We must come together for a Stronger and Brighter future for all of our children
